Division Description

The Division of Regulatory Boards includes seven boards and commissions that regulate various professions in Idaho. (The Athletic Commission was placed under the Bureau of Occupational Licenses in FY 2007). Brief descriptions of each are as follows:

The Board of Accountancy ensures that standards are maintained for certified public accountants and licensed public accountants in Idaho.

The Board of Professional Engineers and Land Surveyors develops and maintains high qualification standards for professional engineers and land surveyors.

The Board of Professional Geologists ensures that geological work in Idaho is conducted by qualified geologists acting in an appropriate and professional manner.

The Bureau of Occupational Licenses was established to provide, under contract, those administrative, investigative, and fiscal services necessary to enable various licensing boards to carry out their mandated responsibilities.

The Certified Shorthand Reporters Board regulates and promotes shorthand reporting services in Idaho.

The Outfitters and Guides Licensing Board regulates outfitter and guide services in Idaho.

The Real Estate Commission licenses real estate brokers and agents and enforces compliance with Idaho real estate license law. The Commission develops and administers an education program to meet statutory prelicense and continuing education requirements.

1. Imaging Project-Engineers

The Board of Professional Engineers and Land Surveyors requests spending authority to complete an imaging system replacing current paper-intensive methods of record retention, renewals, and database maintenance. Originally, this project was appropriated for FY07 and the Deputy Director was to oversee its completion. However, the Deputy Director position was vacant for a longer than expected period of time and, consequently, the funds were reverted. Therefore, the agency requests \$40,000 one-time funding and \$6,000 ongoing funding to complete this project. Contracts have been signed by the agency and vendor, and they are awaiting Legislative approval.

Agency Request 46.000 The Governor is recommending a transfer of \$6,000 from personnel costs to operating expenditures to provide sufficient funding to meet the agency's request.

Governor's Recommendation 40,000 40.000

2. Cost of Disciplinary Action-Engineers

The Board of Professional Engineers and Land Surveyors request \$25,000 one-time supplemental appropriation to resolve unanticipated costs of a disciplinary matter. This supplemental request will fund travel for five board members, two attorneys, and one staff person for travel to northern Idaho and the costs of meeting rooms and a court reporter will be met.

Agency Request 0.00 25.000 25,000

The Governor is recommending a transfer of \$2,400 from personnel costs to operating expenditures to provide sufficient funding to meet the agency's request.

Benefit Costs

Reflects \$2,075 per position or a 29% increase in employer-paid health insurance premiums from \$7,125 to \$9,200 per year. This increase is artificially inflated since the rates have been frozen for the last two years, with increases being covered from reserves.

Agency Request 0.00 143,600

The Governor recommends funding the employer increase in health insurance, and does not remove the funding for their PERSI rate increase that was included in the request. Recently, the PERSI Board voted not to increase the contribution rate for the upcoming fiscal year.

Governor's Recommendation 0.00 143,600 143.600

Inflationary Adjustments

This inflationary adjustment is arrived at by subtracting one-time funding and statewide allocation plan costs from the base and calculating a customized increase for all remaining operating costs.

Inflationary increases are provided only for contractual obligations such as leased space costs and existing information technology support provided by the Department of Administration. Other inflationary requests are not recommended.

Governor's Recommendation 0.00 0 41,400 0 41,400

Budget by Decision Unit FTP General **Dedicated Federal** Total Replacement Items BOARD OF PROFESSIONAL ENGINEERS AND LAND SURVEYORS: Replacement items include a copier for \$3,000, one laptop computer \$1,500 and a monochrome laser printer \$300. REAL ESTATE COMMISSION: Replacement items include miscellaneous computer accessories including routers, switches and UPS devices for a total cost of \$1,300. Agency Request 0.00 0 6.100 0 6,100 0.00 0 6,100 0 Governor's Recommendation 6,100 Statewide Cost Allocation This decision unit includes adjustments for services provided by state agencies as follows: Attorney General fees of \$36,200; risk management cost increases of \$1,600; Controller's fees of \$10,500; State Treasurer fees a \$1,000 reduction. Agency Request 0.00 0 47.300 0 47.300 Governor's Recommendation 0.00 0 47,300 0 47,300 Change in Employee Compensation Agencies were instructed to input a CEC based on a 1% calculator. 0 Agency Request 0.00 26,400 26,400 The Governor recommends a compensation increase of 5% to be distributed based on merit. Governor's Recommendation 0.00 0 131,500 0 131,500 FY 2009 Program Maintenance 0 0 Agency Request 61.95 6,116,800 6,116,800 61.95 0 6,186,800 0 6.186.800 Governor's Recommendation 1. Contingency Approp-Accountancy This request of \$50,000 ongoing funding is to restore the previous appropriation level. The Board's FY08 OE appropriation was decreased by \$50,000 from the FY07 level. There was an unusually high reversion of operating funds for FY06 and FY05 which was due to an unusually low number of complaints before the Board in those years. Consequently, the Board's contingency appropriation was cut. To date, the Board has received approximately 50% more complaints this year than that of last year. These funds are used to help settle court cases and hearings. In seven of the past eleven years, the reversion in operating expenditures was less than \$50,000. Agency Request 0.00 0 50.000 0 50.000 50,000 Governor's Recommendation 0.00 0 0 50,000 2. Board Member Honorarium-Engineers The Board requests an additional \$7,500 to fund an increase in the daily honorarium paid to Board members. Currently, Board members receive \$50 per day. This request reflects an increase to \$75 per day as a result of HB 28 that was passed during the 2007 Legislative session [ongoing]. 0.00 7.500 0 7,500 Agency Request Not recommended by the Governor. Governor's Recommendation 0.00 0 0 0 3. Examinations Costs-Engineers The Board of Professional Engineers and Land Surveyors requests \$5,600 ongoing, dedicated funding for increased costs of examinations for Engineering and Surveying students. One of the Board's primary functions is to administer examinations for the initial licensing of engineers and surveyors, and certification of engineers-in-training and surveyors-in-training. The National Council of Examiners for Engineering and Surveying produce the examination annually and costs to purchase the exams have risen. 0.00 5.600 The Governor recommends transferring ongoing personnel costs to cover the operating expenditures. 0.00 0 0 0 0 Governor's Recommendation

4. Customer Survey-Engineers The Board requests \$25,000 one-time, dedicated funding to conduct and evaluate a Customer Satisfas Survey. The Board will conduct the survey throughout FY 2009 and complete work by the end of next: year. The Board's stakeholders will help shape how the board will offer services, including interactions the public and those persons to whom the Board licenses and certifies.
